Class: Ruby
Teacher: Miss Foster
Teaching Assistant: Mrs Bliss

April 2018

Dear Parents and Carers,

I hope you have all had wonderful Easter break. The children have come back refreshed and ready to learn which is wonderful to see.

Curriculum Information

Over the next term our topic is called 'Green'. This is a science based topic which will also offer many different learning opportunities across the curriculum. Please see the attached 'Topic Overview' sheet which gives more information about how this topic will link with the rest of the curriculum.

Key Skills to Support at Home

Please continue to read at home with your child as regularly as possible and record this in their yellow reading records.

If you would like to do something extra at home, please work on maths fluency activities such as addition and subtraction facts within 20, number bonds (to 10, 20 and 100), doubles and halves (to 20) and times tables (2, 5, and 10). By the end of KS1 children should be able to recall these facts with ease. Lots of these activities can be found on the 'Topmarks' website but posters and quizzes are a great way to practise these too.

Requests and Reminders

This term our PE sessions are on Tuesday and Thursday. Our Tuesday PE session is outside so please ensure your child has a tracksuit in their PE kit bag just in case it gets chilly again!

Homework

Maths activities and spelling lists will continue to be given out on Monday to be completed by the following Monday. Spelling quizzes will continue to occur on Monday mornings. Rewards and stickers will be awarded to those who have tried their best to practise their spellings and maths at home.

Finally, if you have any questions or concerns about anything at all, please do come and speak to us - we will always try to make time to talk to you. I am personally available after school and will always be willing to arrange an appointment time that would suit you.

Yours sincerely,

Miss Foster

Alfriston School: Fair, friendly, fulfilling and fun!
