

## Alfriston School Pupil Premium Report 2013-2014

The Pupil Premium is additional funding given to schools so that they can support particular groups of pupils who are known to be at risk of underachievement and close the attainment gap between them and their peers.

The Pupil Premium is allocated to schools for pupils, in Years R to 11, that are known to be eligible for free school meals (FSM) or who have been eligible for FSM in the past six years (Ever 6).

In the 2013 to 2014 financial year, schools received £953 for each eligible primary-aged pupil or £900 for each eligible secondary-aged pupil.

In the 2014 to 2015 financial year, schools will receive the following funding for each child registered as eligible for free school meals at any point in the last 6 years:

- £1,300 for primary-aged pupils
- £935 for secondary-aged pupils

Schools will also receive £1,900 for each looked-after pupil who:

- has been looked after for 1 day or more
- was adopted from care on or after 30 December 2005, or left care under:
- a special guardianship order
- a residence order.

More information is available on the Department for Education website.

| Number of pupils and pupil premium grant received 2013 – 2014 |       |
|---|-------|
| Total number of pupils on roll                                | 102   |
| Total amount of pupil premium received                        | £8577 |

We have offered support in the following ways:-

- Additional individual teaching support
- Additional support from teaching assistant in the classroom
- One to one support from a teaching assistant
- Subsidising residential trips for Year 2, 5 & 6
- Access to extra-curricular activities
- Swimming lessons

**Summary of Progress**

- 50% of the children in KS1 achieved their targets in reading, writing or maths
- All children in KS2 achieved their targets in the SATS tests in reading, writing or maths
- Pupils who were able to access residential trips and extra-curricular activities due to the funding showed increased confidence and self esteem.
