

School Council Meeting

Tuesday 10th October 2017

10am in HT's office with Mrs Hudson

1) Meeting our Governor Champion for the School Council

Mrs Hudson was pleased to introduce the reps to Mrs Forshaw who is the Governor Champion for the School Council. Mrs Forshaw explained a bit about herself and said how pleased she was to be with us. The reps each introduced themselves and explained their role in the school, what projects/issues they hope to be involved in and what impact they feel they will have.

2) School Development Plan

Mrs Hudson explained about our school development plan.

Both Mrs Forshaw and Mrs Hudson told of the staff and Governors' concern about our school attendance data and how this must be effecting all our pupils fulfilling their potential.

There was a discussion on the ways that the school helps to encourage good attendance and punctuality.

We also wondered whether all the pupils understood the importance of good attendance and coming to school on time.

It was decided that the reps would ask the following questions to their classes and record the answers to bring back to the next meeting:

- Why is attending school regularly so important?
- Why is arriving at school on time so important?
- What does the school do to encourage good attendance?
- Do you have any other suggestions to help encourage good attendance?
