

School Council Meeting

Tuesday 26th November 2019
10am in HT's office with Mrs Hudson

Our School Charter

Mrs Hudson congratulated the reps on their presentation in our Friday Assembly following our last School Council meeting. Our School Charter has been agreed in classes and so now it's important to make this clearly known and understood by everyone. The reps helped to create a display in the school hall to help remind everyone of our School Charter – we all had great fun sponge painting and using glue!
