

School Council Meeting

Tuesday 16th October 2018

10am in HT's office with Mrs Hudson

1) Meeting our Governor Champion for the School Council

Mrs Hudson was pleased to introduce the reps to Mrs Forshaw who is the Governor Champion for the School Council. Mrs Forshaw explained a bit about herself and said how pleased she was to be with us.

2) School Development Plan

Mrs Hudson and Mrs Forshaw explained about our school development plan and the areas that the staff and Governors are focussing on this year: school attendance, further improving maths outcomes, continuing the high attainment and expectations in English and ensuring that every single member of our school community feels safe and happy.

We also celebrated the strengths of our school and shared all the things that make our school good: great teachers and teaching assistants, friendly and polite pupils, all ages playing together and helping each other, our swimming pool, fun trips and events.

The reps thought that it would be great to create a display about this as it would show our motto 'Fair, Friendly, Fulfilling & Fun!' in a visual way. It was decided that the reps would gather reasons from fellow pupils as to 'Why they love our school!'

We discussed what the display may look like and where best to have it in the school. It was decided to type the quotes into speech bubbles using different fonts, sizes and colours, and to display them along the corridors.
