Cross Country

On a cold and snowy day last Thursday Andrew, Evie, Jack, Rodney and Sasha from Emerald Class took part in the South Downs Area Cross Country Finals in Lewes as part of the Sussex School Games. Before Christmas they, along with several other children from Emerald Class, had participated in our local area event and at that they had qualified to the area finals, which saw approximately 120 boys and 100 girls running. The five of them put in amazing performances and all finished within the top half, however Andrew finished within the top 15 and, as a result, has qualified to represent the area at the Sussex School Games Finals which take place at the end of next month. Many congratulations to them all.

Parent Forum

Many thanks to those parents who came along to our parent forum this morning with Mrs Hudson and Mr Gratwick. The focus for today's forum was how we support the children in school academically, emotionally and with friendships. We received some useful comments and feedback from those present and the minutes from the meeting will be made available to everyone in the near future.

Newsletter

Following feedback via the recent parents' questionnaire, from next week the newsletter will change slightly. It will include news from each class so that you will be kept informed about what the children have been up to in class that week.

Safer Internet Day

As a school we participated in the international initiative of 'Safer Internet Day' which took place on Tuesday. The theme for this year was "Together for a Better Internet" and all classes took part in activities where they thought about how to be safe online. Pearl Class thought about the message 'Zip It, Block It, Flag It' using playground situations, Ruby Class worked with the story 'Buddy the Dog' which tells about being safe when using tablets and they linked it to the message 'Zip It, Block It, Flag It' by the use of a song. Sapphire and Emerald Classes watched films about considering if people are being honest online. Tomorrow, Friday, each class will be presenting and sharing their learning about online safety in celebration assembly at 9am, to which parents/carers are invited as usual. Don't forget we also have a section of our website dedicated to online safety

World Book Day

We are looking forward to celebrating World Book Day on Thursday 7th March and, as part of the celebrations, children are invited to come to school dressed as their favourite storybook character. It is always lovely to see how the children interpret their favourite characters and we hope that they can begin to think about their outfits over the February break.
