Headteacher: Mrs Lindsey Hudson BA (Hons)

**Class:** Sapphire (Year 3 & 4)

November 2021

**Teacher:** Mrs Farror

**Teaching Assistant:** Mrs Townsend

Dear Parents and Carers,

Hello and welcome back to school for Term 2. I hope you had a restful half term break.

This term is a 7 week term and, as usual, we have lots of learning to cover and, as usual, I have high expectations of attainment and progress.

Please take a look at the separate curriculum overview attachment to advise you of the topic related learning and please see the 'Home Learning' section of this letter to provide you with further details about how you can best support your child at home.

**Learning Journey topic** This term our topic is 'Anglo Saxons, Viking and Celts'. This is a combined English and History topic.

**English** In English, we will be using our core 'rich' text for this term - Neil Gaimans's 'Odd and The Frost Giants' to lead into our writing and the children will be writing 'to entertain', 'to inform' and 'to persuade'.

In our English curriculum we will be supporting children as they develop their skills and will be working towards extended writing pieces each week. We will also have regular spelling, grammar & punctuation sessions where we will continue with our focus on spelling both the 'high frequency words' and the 'common exception words'. We will look at spelling patterns and rules as well as encourage children to learn the spelling of the words, which they use regularly to support their writing. The children will work through individualised spelling lists as appropriate.

Reading is a vitally important skill in developing every aspect of literacy. We build numerous opportunities to hear your child read throughout the school day, including some one-to-one reading opportunities with those children who we feel would most benefit.

The use of the monitored reading record booklets is going very well, so thank you for your support with this. As part of our home learning expectations, we ask that your child reads at home at least 5 times a week but ideally every day. We request that the reading record booklets are brought into school each day so that these can be checked each morning. Comments and observations will be noted, and/or responded to, as required.

**Maths** Our topic is Number: Place Value moving on to Number: Addition & Subtraction.

Alongside our topic learning, the children will also continue to learn their multiplication tables facts. The Year 4 children have their formal **Multiplication Tables Check** in Term 6 so the sooner we embed the tables the better.

Alfriston School: Fair, friendly, fulfilling and fun!

Comprehension of, and access to, times tables understanding will aid your child in all aspects of their Maths learning. To encourage them to learn their times tables we will continue to carry out our weekly 'Times Table Challenge' test. We want the children to work towards having instant recall of the times tables, therefore the tests are formal and are timed – it is wonderful to see how quickly the children are climbing up our class 'times tables tower'. Daily use of **TTRockstars** will support your child with their times tables practise.

**Science** Our topic is '**Animals including Humans**'. We will be identifying that humans and some other animals have skeletons and muscles for support, protection and movement. We will also be identifying the different types of teeth in humans and their simple functions.

**P.E.** Our PE sessions this term will be on Monday and Thursday afternoons, as last term. The children will need P.E on school on those days but are advised to have them in school all week.

**R.E.** Our RE topic is '**The Christmas Story / Christmas around the world**'. We will be looking at the key teachings and beliefs of a religion; identifying religious symbolism in literature and the arts; identifying some reasons why religious figures may have acted as they did and describing how some of the values held by communities or individuals affect behaviour and actions.

Just a reminder that R.E is taught in a cross-curricular way so that children are practicing skills in reading, writing, speaking & listening while the RE provides the context. Please note, as detailed in government legislation, that you have "the right to request that the pupil be excused from all or part of the RE provided. [You] do not have to provide a reason & the school must comply with [your] request. It is however [your] responsibility to provide alternative work if [your] child is withdrawn. Parents & carers must also be aware that RE is cross-curricular & in primary schools it may be taught as part of another subject area for which there is no legal right to withdraw."

**Equipment** All equipment / resources are provided for the children when at school. Children must not bring anything into school other than their P.E kit, their school banded reading book, their reading record booklet, their snack and their lunch (if required), their water bottle and appropriate outer layers. They must not bring in a pencil case.

**Home Learning** Homework supports your child's learning and consists of the following activities each week -

- Regular reading (at least five times a week with an adult acknowledging this in the reading record)
- Spellings – your child will have an individual spelling list which is accessed through **Google Classroom** and updated weekly.
- Maths homework will also be set on **Google Classroom**. This homework will meet the requirements of the KIRFs (Key Instant Recall Facts) for this term.
- Children should also use '**TTRockStars**' in order to develop their knowledge of multiplication facts.

Please note that this term there is NO task-based homework menu.

**Communication** If you do you have any questions or concerns then please email me at [sapphire@alfriston.e-sussex.sch.uk](mailto:sapphire@alfriston.e-sussex.sch.uk) and I will get back to you as soon as possible or please phone the school office.

Yours sincerely,

*E J Farror*
