

Alfriston School

Fair, friendly, fulfilling and fun!

Newsletter - 21st March 2022

Observatory Science Centre Trip

At the start of British Science Week, we had a wonderful whole school trip to The Observatory Science Centre!

During the day the children took part in a workshop, watched a fantastic and fun science show and learnt a lot, playing with the hands-on exhibits.

We want to say a huge thank you to The Friends of Alfriston School for funding the trip and to all the parents and carers who support the Friends in their fundraising efforts.

'Healthy Me' Week

Yesterday, on the first day of our 'Healthy Me' Week, we had Chartwells in school, running healthy eating workshops.

Chartwells told us that they were impressed with the children's knowledge about healthy eating and so they reinforced their understanding of the different food groups, the food rainbow and the importance of a balanced diet. At the end of the session all the children made their own healthy wrap to eat!

Bird Update!

We are pleased to confirm that having been checked over by East Sussex Wildlife Rescue they were able to release our feathery visitor back in to the wild.

Bluebell Day

Last Friday we held a 'Bluebell Day' in preparation for the FoAS fundraiser at the Bluebell Woods, in Arlington on Wednesday 13th April 2022. The children got creative and made decorations and posters for the event, also coming into school dressed in blue. Each child made an invitation to the event... hopefully you received yours!

Just a reminder that the FoAS are looking for volunteers to bake cakes, scones, flapjacks and more, but essentially volunteers to help on 13th April. Help is needed with food preparation or front of house in the cafe, we also need volunteers to take money at the gate and greet our visitors. There is a rota, so the work is shared and all volunteers can also then enjoy the day with their families/friends.

If you are able to help in any way, please leave a message on the FoAS Facebook page, or speak to your class representative.

This is an amazing opportunity but we can't do it without you!

Pearl Class Bear Museum

On Friday Pearl Class set up a bear museum, writing labels and captions explaining about their bears. The children invited Sapphire Class to come and have a look around the museum which they really enjoyed.

During the day the children in Pearl Class looked at the differences and similarities between old bears and new bears.

Celebration Assembly

It was fantastic to be able to invite parents and carers back to our celebration assembly on Friday and to see so many of you there!

As the weather was lovely, we held the assembly out on the playground and the House Captains did a grand job of presenting!

Music Lessons

Sue Whitehead, who teaches music with us, will sadly be leaving at the end of this term. **We will all miss her very much but wish her well on her next adventure.**

We are pleased to inform you that, Kate Troup, a music teacher who is starting with us after Easter.

This term's events

24th March	Tempest - class photos Year 5/6 netball final
25th March	Open classroom (after school) Ancient Greek Olympic day - Sapphire Class
