

School Council Meeting

Tuesday 27th November 2018
10am in HT's office with Mrs Hudson

1) 'Fair, Friendly, Fulfilling & Fun!' school motto

Mrs Hudson showed the reps all the different quotes that they collected from their fellow pupils as to why they love our school. The reps helped to cut them out so that they can be displayed around the school.

2) Home Learning update

At the end of last academic year, the teachers, Governors and parents gathered together to review our Home Learning Policy (each of your teachers had also asked you your opinions too). All agreed what was best. As School Council reps, it would be helpful to gather views from your class about how this is going. Please be ready to report back at our next meeting in January.

3) Next meeting
