

School Council Meeting

Tuesday 17th April 2018

10am in HT's office with Mrs Hudson

The Playground

This was an exciting meeting as it was announced to the School Council that the plan that had been decided by the children had been approved by the Governors at their recent meeting!

The reps were shown a glossy poster of the final design of the playground and they were very pleased with it. The company chosen to create the new design and install the new equipment are due to start work on Monday 14th May (and take a maximum of two weeks to complete).

It was agreed that each rep would show their year group/class the poster so that everyone knew what was happening. The poster would then be put up in the hall for all to see and parents/the wider community would be informed in the next newsletter which is uploaded onto the school's website.

3) Next meeting

To be confirmed
