

# Alfriston School

## Fair, friendly, fulfilling and fun!

### Newsletter - 15th June 2021

#### Reminders

Monday 21st June is an INSET day so children should not come to school.

If you haven't yet done so, please return the swimming and video permission slips for your child. These should be sent to the school office as soon as possible. Many thanks.

#### Swimming

It has been fantastic to see the children swimming, we are so lucky to have a pool! For the past 2 weeks Ruby Class have been having lessons 3 times a week. They have all tried so hard and really enjoyed it, and we can already see their progress.

#### **Events Update**

Following the announcement made by the Government last night we have had to make some changes to the events we have planned for the remainder of the school year.

Music Cabaret - We are no longer able to invite parents & carers to the music cabaret but are keen for the children to still showcase their amazing talents. The cabaret will therefore still go ahead in school time. We hope to video the event but will keep you updated.

School Games Day - This will still go ahead but this year we will be unable to invite parents & carers.

We will, of course take lots of photos which we will share with you.

Whole School Celebration Event - This is something we were really keen to introduce from this year as an annual event. Although we plan on still going ahead, this will now be in school time and we will unfortunately be unable to invite you in to physically watch it.

#### Clubs

Our new after school clubs started last week and the children are having great fun.

Sapphire and Emerald Class

enjoyed archery and netball and Pearl and Ruby enjoyed tennis and multi skills. We will continue to work with Premier Education to bring you a variety of new and exciting after school clubs.

#### **Pearl Class**

It has been a busy couple of weeks in Pearl Class! Having read Oliver's Fruit Salad, the children planned and made their own fru

children planned and made their own fruit salad using their favourite fruit.

They independently peeled and chopped the fruit before mixing and then eating their fruit salad.

All children decided that their favourite fruit of all was pineapple!
Following the lesson the children practised their handwriting and wrote instructions on how to make a fruit salad.

#### **Ruby Class Party Time!**

Since our last newsletter, Ruby have organised a wonderful farewell party to say goodbye to Bog Baby.

They planned and prepared the whole party themselves!

They wrote the invitations, created a menu, made decorations and prepared a fruit salad

and prepared a fruit sala and biscuits. They also played party games and showed off how well they could work together as a team.
