

School Council Meeting

Tuesday 12th February 2019

10am in HT's office with Mrs Hudson

1) Home Learning update

At the end of last academic year, the teachers, Governors and parents gathered together to review our Home Learning Policy (each of your teachers had also asked for the children's opinions too). All agreed what was best. Today the School Council reps reported back on how this updated policy is going. The reps shared that each child has a homework folder to enable them to be more organised, that it is important to read daily, that they are enjoying the KIRFS (Key Instant Recall Facts) for maths and have individual spelling lists to learn. The KS2 reps said that they have been enjoying the home learning projects (and relieved that there isn't one during the busiest terms, 2 and 6).

2) Teaching Assistant vacancy

Mrs Hudson asked for the School Council's help. It was agreed that we are looking for a TA who is kind, caring, fair, positive, smiley, has good sense of humour, who is a good listener and someone who will help us to learn. The candidates will be around the school all day (out at break times and with the children in the classrooms) so Mrs Hudson will be asking for the reps' feedback.
