# Alfriston School Online Safety Policy

## 1. Policy Aims

- This online safety policy has been written by Alfriston School, involving staff, learners and parents/carers, building on the East Sussex County Council/The Education People online safety policy template, with specialist advice and input as required.
- It takes into account the DfE statutory guidance Keeping Children Safe in Education 2019, Early Years and the East Sussex Safeguarding Children Partnership procedures.
- The purpose of the Alfriston School online safety policy is to:
  - Safeguard and protect all members of Alfriston School community online.
  - Identify approaches to educate and raise awareness of online safety throughout the community.
  - Enable all staff to work safely and responsibly, to role model positive behaviour online and to manage professional standards and practice when using technology.
  - Identify clear procedures to use when responding to online safety concerns.
- Alfriston School identifies that the issues classified within online safety are considerable, but can be broadly categorised into three areas of risk:
  - **Content:** being exposed to illegal, inappropriate or harmful material
  - **Contact:** being subjected to harmful online interaction with other users
  - **Conduct:** personal online behaviour that increases the likelihood of, or causes, harm.

## 2. Policy Scope

- Alfriston School believes that online safety is an essential part of safeguarding and acknowledges its duty to ensure that all pupils and staff are protected from potential harm online.
- Alfriston School identifies that the internet and associated devices, such as computers, tablets, mobile phones and games consoles, are an important part of everyday life.
- Alfriston School believes that pupils should be empowered to build resilience and to develop strategies to manage and respond to risk online.
- This policy applies to all staff including the governing board, teachers, support staff, external contractors, visitors, volunteers and other individuals who work for, or provide services on behalf of the setting (collectively referred to as “staff” in this policy) as well as pupils, parents and carers.
- This policy applies to all access to the internet and use of technology, including personal devices, or where staff or other individuals have been provided with setting issued devices for use off-site, such as a work laptops, tablets or mobile phones.

## **2.2 Links with other policies and practices**

- This policy links with several other policies, practices and action plans including:
- Behaviour & Anti-bullying policy
- ICT Acceptable Use Policy & Agreement
- Staff and Parent, Carer and Visitor Code of Conduct
- Safeguarding & Child protection policy
- Confidentiality policy
- Curriculum policies, such as: Computing, Personal Social and Health Education (PSHE), Citizenship and Relationships and Sex Education (RSE)
- Data Transit
- Image use policy

## **3. Monitoring and Review**

- Technology in this area evolves and changes rapidly; Alfriston School will review this policy at least annually
  - The policy will also be revised following any national or local policy requirements, any child protection concerns or any changes to the technical infrastructure
- We will regularly monitor internet use and evaluate online safety mechanisms to ensure that this policy is consistently applied.
- To ensure they have oversight of online safety, the Headteacher will be informed of online safety concerns, as appropriate.
- The named governor for safeguarding will report on a regular basis to the governing body on online safety practice and incidents, including outcomes.
- Any issues identified via monitoring will be incorporated into our action planning.

## **4. Roles and Responsibilities**

- The Designated Safeguarding Lead (DSL) Lindsey Hudson, Headteacher has lead responsibility for online safety.
  - Whilst activities of the designated safeguarding lead may be delegated to appropriately trained deputies, the ultimate lead responsibility for safeguarding and child protection remains with the DSL.
- Alfriston School recognises that all members of the community have important roles and responsibilities to play with regards to online safety.

### **4.1 The leadership and management team will:**

- Ensure that online safety is viewed as a safeguarding issue and that practice is in line with national and local recommendations and requirements.
- Ensure there are appropriate and up-to-date policies regarding online safety; including a Staff Code of Conduct and Acceptable Use policy, which covers acceptable use of technology.

- Ensure that suitable and appropriate filtering and monitoring systems are in place and work with technical staff to monitor the safety and security of our systems and networks.
- Ensure that online safety is embedded within a progressive curriculum, which enables all pupils to develop an age-appropriate understanding of online safety.
- Support the DSL and any deputies by ensuring they have sufficient time and resources to fulfil their online safety responsibilities.
- Ensure there are robust reporting channels for the community to access regarding online safety concerns, including internal, local and national support.
- Ensure that appropriate risk assessments are undertaken regarding the safe use of technology.
- Audit and evaluate online safety practice to identify strengths and areas for improvement.

#### **4.2 The Designated Safeguarding Lead (DSL) will:**

- Act as a named point of contact on all online safeguarding issues and liaise with other members of staff or other agencies, as appropriate.
- Work alongside deputy DSLs to ensure online safety is recognised as part of the settings safeguarding responsibilities and that a coordinated approach is implemented.
- Ensure all members of staff receive regular, up-to-date and appropriate online safety training.
- Access regular and appropriate training and support to ensure they understand the unique risks associated with online safety and have the relevant knowledge and up to date required to keep pupils safe online
- Access regular and appropriate training and support to ensure they recognise the additional risks that pupils with SEN and disabilities (SEND) face online.
- Keep up-to-date with current research, legislation and trends regarding online safety and communicate this with the community, as appropriate.
- Work with staff to coordinate participation in local and national events to promote positive online behaviour, such as Safer Internet Day.
- Ensure that online safety is promoted to parents, carers and the wider community, through a variety of channels and approaches.
- Maintain records of online safety concerns, as well as actions taken, as part of the settings safeguarding recording mechanisms.
- Monitor online safety incidents to identify gaps and trends, and use this data to update the education response, policies and procedures.
- Report online safety concerns, as appropriate, to the Governing Board.
- Work with the leadership team to review and update online safety policies on a regular basis (at least annually) with stakeholder input.
- Meet regularly (at least three times a year) with the governor with a lead responsibility for safeguarding.

#### **4.3 It is the responsibility of all members of staff to:**

- Contribute to the development of online safety policies.
- Read and adhere to the Online Safety policy and Acceptable Use policy.

- Take responsibility for the security of setting systems and the data they use or have access to.
- Model good practice when using technology and maintain a professional level of conduct in their personal use of technology, both on and off site.
- Embed online safety education in curriculum delivery, wherever possible.
- Have an awareness of a range of online safety issues and how they may be experienced by the children in their care.
- Identify online safety concerns and take appropriate action by following the settings safeguarding policies and procedures.
- Know when and how to escalate online safety issues, including signposting to appropriate support, internally and externally.
- Take personal responsibility for professional development in this area.

#### **4.4 It is the responsibility of staff managing the technical environment to:**

- Provide technical support and perspective to the DSL and leadership team, especially in the development and implementation of appropriate online safety policies and procedures.
- Implement appropriate security measures such as password policies and encryption to ensure that the settings IT infrastructure/system is secure and not open to misuse or malicious attack, whilst allowing learning opportunities to be maximised.
- Ensure that our filtering policy is applied and updated on a regular basis; responsibility for its implementation is shared with the leadership team.
- Report any filtering breaches to the DSL (or deputy DSLs) and leadership team, as well as, the settings Internet Service Provider or other services, as appropriate.
- Ensure that any safeguarding concerns, identified through monitoring or filtering breaches are reported to the DSL (or deputy DSLs), in accordance with the safeguarding procedures.

#### **4.5 It is the responsibility of learners (at a level that is appropriate to their individual age and ability) to:**

- Engage in age appropriate online safety education opportunities.
- Contribute to the development of online safety policies.
- Read and adhere to the acceptable use policies.
- Respect the feelings and rights of others both on and offline.
- Take responsibility for keeping themselves and others safe online.
- Seek help from a trusted adult, if there is a concern online, and support others that may be experiencing online safety issues.

#### **4.6 It is the responsibility of parents and carers to:**

- Read the Acceptable Use policy and encourage their children to adhere to it.
- Support our online safety approaches by discussing online safety issues with their children and reinforcing appropriate and safe online behaviours at home.
- Role model safe and appropriate use of technology and social media.
- Abide by the Home-School Agreement and Acceptable Use Policy.
- Identify changes in behaviour that could indicate that their child is at risk of harm online.

- Seek help and support from the school, or other appropriate agencies, if they or their child encounter risk or concerns online.
- Contribute to the development of the online safety policies.
- Use our systems and other network resources, safely and appropriately.
- Take responsibility for their own awareness in relation to the risks and opportunities posed by new and emerging technologies.

## **5. Education and Engagement Approaches**

### **5.1 Education and engagement with pupils**

- The setting will establish and embed a progressive online safety curriculum to raise awareness and promote safe and responsible internet use amongst pupil by:
  - Ensuring education regarding safe and responsible use precedes internet access.
  - Including online safety across all areas of the school's curriculum, in particular in Personal, Social, Health and Economic (PSHE), Relationships and Sex Education (RSE) and computing programmes of study.
  - Reinforcing online safety messages whenever technology or the internet is in use.
  - Educating pupils in the effective use of the internet to research; including the skills of knowledge location, retrieval and evaluation.
  - Teaching pupils to be critically aware of the materials they read and shown how to validate information before accepting its accuracy.
- The setting will support pupils to read and understand the Acceptable Use Policy in a way which suits their age and ability by:
  - Displaying acceptable use posters in all rooms with internet access.
  - Informing pupils that network and internet use will be monitored for safety and security purposes and in accordance with legislation.
  - Rewarding positive use of technology.
  - Implementing appropriate peer education approaches.
  - Providing online safety education and training as part of the transition programme across the key stages and when moving between establishments.
  - Seeking pupil voice when writing and developing online safety policies and practices, including curriculum development and implementation.
  - Using support, such as external visitors, where appropriate, to complement and support our internal online safety education approaches.

### **5.2 Vulnerable Learners**

- Alfriston School recognises that some pupils are more vulnerable online due to a range of factors. This may include, but is not limited to children in care, children with Special Educational Needs and Disabilities (SEND) or mental health needs, children with English as an additional language (EAL) and children experiencing trauma or loss.
  - Alfriston School will ensure that differentiated and ability appropriate online safety education, access and support is provided to vulnerable learners.

- When implementing an appropriate online safety policy and curriculum Alfriston School will seek input from specialist staff as appropriate, including the SENCO.

### **5.3 Training and engagement with staff**

We will:

- Provide and discuss the online safety policy and procedures with all members of staff as part of induction.
- Provide up-to-date and appropriate online safety training for all staff on a regular basis, with at least annual updates.
  - This will be as part of our safeguarding and child protection training with updates provided, as necessary, during the weekly staff meeting.
  - This will cover the potential risks posed to learners (Content, Contact and Conduct) as well as our professional practice expectations.
- Recognise the expertise staff build by undertaking safeguarding training and managing safeguarding concerns and provide opportunities for staff to contribute to and shape online safety policies and procedures.
- Make staff aware that our IT systems are monitored, and that activity can be traced to individual users; staff will be reminded to behave professionally and in accordance with our policies when accessing our systems and devices.
- Make staff aware that their online conduct outside of the setting, including personal use of social media, could have an impact on their professional role and reputation.
- Highlight useful educational resources and tools which staff should use, according to the age and ability of the learners.
- Ensure all members of staff are aware of the procedures to follow regarding online safety concerns affecting pupils, colleagues or other members of the community.

### **5.4 Awareness and engagement with parents and carers**

- Alfriston School recognises that parents and carers have an essential role to play in enabling children and young people to become safe and responsible users of the internet and associated technologies.
- We will build a partnership approach to online safety with parents and carers by:
  - Providing information and guidance on online safety in a variety of formats.
    - This will include offering specific online safety awareness training and highlighting online safety at other events such as parent consultations, transition events, summer fair and sports days.
  - Drawing their attention to the online safety policy and expectations in newsletters, letters, our prospectus and on our website.
  - Requesting that they read online safety information as part of joining our community, for example, within the welcome pack.
  - Requiring them to read our Acceptable Use policy and discuss the implications with their children.

## 6. Reducing Online Risks

- Alfriston School recognises that the internet is a constantly changing environment with new apps, devices, websites and material emerging at a rapid pace.
- We will:
  - Regularly review the methods used to identify, assess and minimise online risks.
  - Examine emerging technologies for educational benefit and undertake appropriate risk assessments before use in the setting is permitted.
  - Ensure that appropriate filtering and monitoring is in place and take all reasonable precautions to ensure that users can only access appropriate material.
  - Due to the global and connected nature of the internet, it is not possible to guarantee that unsuitable material cannot be accessed via our computers or devices.
- All members of the community are made aware of our expectations regarding safe and appropriate behaviour online and the importance of not posting any content, comments, images or videos which could cause harm, distress or offence to members of the community. This is clearly outlined in our acceptable use policy and highlighted through a variety of education and training approaches.

## 7. Safer Use of Technology

### 7.1 Classroom Use

- Alfriston School uses a wide range of technology. This includes access to:
  - Computers, laptops and other digital devices
  - Internet which may include search engines and educational websites
  - Email
  - Tablets
  - Digital cameras, web cams and video cameras
- All setting owned devices will be used in accordance with our Acceptable Use policy and with appropriate safety and security measures in place.
- Members of staff will always evaluate websites, tools and apps fully before use in the classroom or recommending for use at home.
- The setting will use age appropriate search tools following an informed risk assessment, to identify which tool best suits the needs of our community.
- We will ensure that the use of internet-derived materials, by staff and pupils complies with copyright law and acknowledge the source of information.
- Supervision of learners will be appropriate to their age and ability.
  - **Early Years Foundation Stage and Key Stage 1**
    - Access to the internet will be by adult demonstration, with occasional directly supervised access to specific and approved online materials, which supports the learning outcomes planned for the pupils age and ability.
  - **Key Stage 2**
    - Pupils will use age-appropriate search engines and online tools.
    - Pupils will be directed by the teacher to online materials and resources which support the learning outcomes planned for the pupils' age and ability.

## 7.2 Managing Internet Access

- We will maintain a written record of users who are granted access to our devices and systems.
- All staff, pupils and visitors will read and sign an acceptable use policy before being given access to our computer system, IT resources or internet. Parents will sign an agreement relating to their child.

## 7.3 Filtering and Monitoring

### 7.3.1 Decision Making

- Alfriston School governors and leaders have ensured that our setting has age and ability appropriate filtering and monitoring in place, to limit learner's exposure to online risks.
- The governors and leaders are aware of the need to prevent "over blocking", as that may unreasonably restrict what can be taught, with regards to online activities and safeguarding.
- Our decision regarding filtering and monitoring has been informed by a risk assessment, considering our specific needs and circumstances.
- Changes to the filtering and monitoring approach will be risk assessed by staff with educational and technical experience and, where appropriate, with consent from the leadership team; all changes to the filtering policy are logged and recorded.
- The leadership team will ensure that regular checks are made to ensure that the filtering and monitoring methods are effective and appropriate.
- All members of staff are aware that they cannot rely on filtering and monitoring alone to safeguard learners; effective classroom management and regular education about safe and responsible use is essential.

### 7.3.2 Filtering

- Education broadband connectivity is provided through The East Sussex Education Network (provided by The Link).
- We use Smoothwall web filtering which blocks sites which can be categorised as: pornography, racial hatred, extremism, gaming and sites of an illegal nature.
- The filtering system blocks all sites on the [Internet Watch Foundation](#) (IWF) list.
- We work with Schools ICT Services to ensure that our filtering policy is continually reviewed.
- If pupils discover unsuitable sites, they will be required to:
  - Turn off monitor/screen and report the concern immediate to a member of staff.
  - The member of staff will report the concern (including the URL of the site if possible) to the DSL (or deputies) and/or technical staff.
  - The breach will be recorded and escalated as appropriate.
  - Parents/carers will be informed of filtering breaches involving their child.
- Any material believed to be illegal will be reported immediately to the appropriate agencies, such as the IWF, Sussex Police or CEOP.

### 7.3.4 Monitoring

- We will appropriately monitor internet use on all setting owned or provided internet enabled devices. This is achieved by:
  - Physical monitoring (pupils will only be allowed to use the internet with a member of staff in the same room supervising them).
  - Monitoring internet and web access (reviewing information from pupil log in).
- If a concern is identified via monitoring approaches we will:
  - Speak to the pupil, if appropriate.
  - Inform parent/carer
  - DSL or deputies will speak to schools ICT to ensure website etc is blocked
  - If we are unsure how to proceed with an incident or concern, the DSL (or deputies) will seek advice from the Standards and Learning Effectiveness Service Safeguarding Team.
- All users will be informed that use of our systems can be monitored and that all monitoring will be in line with data protection, human rights and privacy legislation.

### 7.4 Managing Personal Data Online

- Personal data will be recorded, processed, transferred and made available online in accordance with General Data Protection Regulations and Data Protection legislation.
  - Full information can be found on the School Policies section of our website.

### 7.5 Security and Management of Information Systems

- We take appropriate steps to ensure the security of our information systems, including:
  - Virus protection being updated regularly.
  - Encryption for personal data sent over the Internet or taken off site (such as via portable media storage) or access via appropriate secure remote access systems.
  - Not using portable media without specific permission; portable media will be checked by an anti-virus /malware scan before use.
  - Not downloading unapproved software to work devices or opening unfamiliar email attachments.
  - Regularly checking files held on our network,
  - The appropriate use of user logins and passwords to access our network.
    - Specific user logins and passwords will be enforced for all but Early Years users.
  - All users are expected to log off or lock their screens/devices if systems are unattended.
  - [Click here](#) for our Online Safety ICT Acceptable Use Policy & Agreement and for further information.

#### 7.5.1 Password policy

- All members of staff will have their own unique username and private passwords to access our systems; members of staff are responsible for keeping their password private.

- From year 1, all learners are provided with their own unique username and private passwords to access our systems; learners are responsible for keeping their password private.
- We require all users to:
  - Use strong passwords for access into our system.
  - Change their passwords every.
  - Always keep their password private; users must not share it with others or leave it where others can find it.
  - Not to login as another user at any time.

## **7.6 Managing the Safety of our Website**

- We will ensure that information posted on our website meets the requirements as identified by the Department for Education (DfE).
- We will ensure that our website complies with guidelines for publications including: accessibility; data protection; respect for intellectual property rights; privacy policies and copyright.
- Staff or learner's personal information will not be published on our website; the contact details on the website will be our setting address, email and telephone number.
- The administrator account for our website will be secured with an appropriately strong password.
- We will post appropriate information about safeguarding, including online safety, on our website for members of the community.

## **7.7 Publishing Images and Videos Online**

- We will ensure that all images and videos shared online are used in accordance with the associated policies, including (but not limited to) the: Image Use, Data Transit, Staff Code of Conduct, Online Safety ICT Acceptable Use Policy & Agreement.

## **7.8 Managing Email**

- Access to our email systems will always take place in accordance with data protection legislation and in line with other policies, including Confidentiality, Acceptable Use and the Staff Code of Conduct.
  - The forwarding of any chain messages/emails is not permitted.
  - Spam or junk mail will be blocked and reported to the email provider.
  - Any electronic communication which contains sensitive or personal information will only be sent using secure and encrypted email.
  - Setting email addresses and other official contact details will not be used for setting up personal social media accounts.
- Members of the community will immediately inform Lindsey Hudson, Headteacher or Tanya Fitzgerald, School Business Manager if they receive offensive communication, and this will be recorded in our safeguarding files/records.
- Excessive social email use can interfere with teaching and learning and will be restricted; access to external personal email accounts may be blocked on site.

### **7.8.1 Staff and Governing Board email**

- The use of personal email addresses by staff or members of the Governing Board for any official setting business is not permitted.
  - All members of staff and Governors are provided with an email address to use for all official communication.
- Members of staff are encouraged to have an appropriate work life balance when responding to email, especially if communication is taking place between staff and parents.

## **8. Social Media**

### **8.1 Expectations**

- The expectations' regarding safe and responsible use of social media applies to all members of Alfriston School community.
- The term social media may include (but is not limited to): blogs; wikis; social networking sites; forums; bulletin boards; online gaming; apps; video/photo sharing sites; chatrooms and instant messenger.
- All members of Alfriston School community are expected to engage in social media in a positive, safe and responsible manner.
  - All members of Alfriston School community are advised not to publish specific and detailed private thoughts, concerns, pictures or messages on any social media services, especially content that may be considered threatening, hurtful or defamatory to others.
- We will control staff access to social media whilst using setting provided devices and systems on site.
  - The use of social media during setting hours for personal use is not permitted.
  - Inappropriate or excessive use of social media during setting hours or whilst using setting devices may result in disciplinary or legal action and/or removal of internet facilities.
- Concerns regarding the online conduct of any member of Alfriston School community on social media, should be reported to the DSL (or deputy) and will be managed in accordance with our Staff Code of Conduct, Whistleblowing Policy and Safeguarding & Child Protection Policies.

### **8.2 Staff Personal Use of Social Media**

- The safe and responsible use of social networking, social media and personal publishing sites will be discussed with all members of staff as part of staff induction and will be revisited and communicated via regular staff training opportunities.
- Safe and professional behaviour will be outlined for all members of staff (including volunteers) as part of our staff code of conduct as part of acceptable use policy.

#### *Reputation*

- All members of staff are advised that their online conduct on social media can have an impact on their role and reputation within the setting.

- Civil, legal or disciplinary action may be taken if staff are found to bring the profession or institution into disrepute, or if something is felt to have undermined confidence in their professional abilities.
- All members of staff are advised to safeguard themselves and their privacy when using social media sites. Advice will be provided to staff via staff training and by sharing appropriate guidance and resources on a regular basis. This will include (but is not limited to):
  - Setting the privacy levels of their personal sites.
  - Being aware of location sharing services.
  - Opting out of public listings on social networking sites.
  - Logging out of accounts after use.
  - Keeping passwords safe and confidential.
  - Ensuring staff do not represent their personal views as that of the setting.
- Members of staff are encouraged not to identify themselves as employees of Alfriston School on their personal social networking accounts; this is to prevent information on these sites from being linked with the setting, and to safeguard the privacy of staff members.
- All members of staff are encouraged to carefully consider the information, including text and images, they share and post online and to ensure that their social media use is compatible with their professional role and is in accordance our policies and the wider professional and legal framework.
- Information and content that staff members have access to as part of their employment, including photos and personal information about learners and their family members or colleagues will not be shared or discussed on social media sites.
- Members of staff will notify the Leadership Team immediately if they consider that any content shared on social media sites conflicts with their role.

#### *Communicating with pupils and parents and carers*

- All members of staff are advised not to communicate with or add as 'friends' any current or past pupils or their family members via any personal social media sites, applications or profiles.
  - Any pre-existing relationships or exceptions that may compromise this, will be discussed with DSL (or deputies).
  - If ongoing contact with pupils is required once they have left the setting, members of staff will be expected to use existing alumni networks or use official setting provided communication tools.
- Staff will not use personal social media accounts to contact learners or parents, nor should any contact be accepted, except in circumstance whereby prior approval has been given by the Headteacher.
- Any communication from learners and parents received on personal social media accounts will be reported to the DSL (or deputies).

### **8.3 Pupils Personal Use of Social Media**

- Safe and appropriate use of social media will be taught to learners as part of an embedded and progressive education approach, via age appropriate sites and resources.

- We are aware that many popular social media sites state that they are not for children under the age of 13, therefore we will not create accounts specifically for pupils under this age.
- Any concerns regarding pupils use of social media will be dealt with in accordance with existing policies, including Behaviour and Anti-Bullying policy.
  - Concerns will be shared with parents/carers as appropriate, particularly when concerning underage use of social media sites, games or tools.
- Pupils will be advised:
  - To consider the benefits and risks of sharing personal details on social media sites which could identify them and/or their location.
  - To only approve and invite known friends on social media sites and to deny access to others by making profiles private.
  - Not to meet any online friends without a parent/carer or other responsible adult's permission and only when a trusted adult is present.
  - To use safe passwords.
  - To use social media sites which are appropriate for their age and abilities.
  - How to block and report unwanted communications.
  - How to report concerns both within the setting and externally.

#### **8.4 Official Use of Social Media**

- Alfriston School official social media channels are:
  - Facebook and Twitter.
- The official use of social media sites only takes place with clear educational or community engagement objectives, with specific intended outcomes.
  - The official use of social media as a communication tool has been formally risk assessed and approved by the Headteacher.
  - Leadership staff have access to account information and login details for our social media channels, in case of emergency, such as staff absence.
- Official social media channels have been set up as distinct and dedicated social media sites or accounts for educational or engagement purposes only.
  - Staff use setting provided email addresses to register for and manage any official social media channels.
  - Official social media sites are suitably protected and, where possible, linked to our website.
  - Public communications on behalf of the setting will, where appropriate and possible, be read and agreed by at least one other colleague.
- Official social media use will be conducted in line with existing policies, including: anti-bullying, image/camera use, data protection, confidentiality and child protection.
  - All communication on official social media platforms will be clear, transparent and open to scrutiny.
- Parents/carers and pupils will be informed of any official social media use, along with expectations for safe use and action taken to safeguard the community.
  - Only social media tools, Facebook and Twitter which have been risk assessed and approved as suitable for educational purposes will be used.

- Any official social media activity involving pupils will be moderated.
- Parents and carers will be informed of any official social media use with pupils; written parental consent will be obtained, as required.
- We will ensure that any official social media use does not exclude members of the community who are unable or unwilling to use social media channels.

#### *Staff expectations*

- Members of staff who follow and/or like our official social media channels will be advised to use dedicated professional accounts, where possible, to avoid blurring professional boundaries.
- If members of staff are participating in online social media activity as part of their capacity as an employee of the setting, they will:
  - Sign our acceptable use policy.
  - Always be professional and aware they are an ambassador for the setting.
  - Disclose their official role but make it clear that they do not necessarily speak on behalf of the setting.
  - Always be responsible, credible, fair and honest, and consider how the information being published could be perceived or shared.
  - Always act within the legal frameworks they would adhere to within the workplace, including: libel, defamation, confidentiality, copyright, data protection and equalities laws.
  - Ensure that they have appropriate consent before sharing images on the official social media channel.
  - Not disclose information, make commitments or engage in activities on behalf of the setting, unless they are authorised to do so.
  - Not engage with any direct or private messaging with current, or past, pupils, parents and carers.
  - Inform their line manager, the DSL (or deputies) of any concerns, such as criticism, inappropriate content or contact from pupils.

## **9. Use of Personal Devices and Mobile Phones**

- Alfriston School recognises that personal communication through mobile technologies is an accepted part of everyday life for pupils, staff and parents/carers. Pupils are not permitted to bring mobile technologies to school. Staff and parents/carers must ensure technologies are used safely and appropriately within the setting.

### **9.1 Expectations**

- All use of personal devices (including but not limited to; tablets and 'smart' watches) and mobile phones will take place in accordance with the law and other appropriate policies, such as Behaviour and Anti-Bullying and Child Protection and Safeguarding.
- Electronic devices of any kind that are brought onto site are the responsibility of the user.

- All members of Alfriston School community are advised to take steps to protect their mobile phones or devices from loss, theft or damage; we accept no responsibility for the loss, theft or damage of such items on our premises.
- All members of Alfriston School community are advised to use passwords/pin numbers to ensure that unauthorised calls or actions cannot be made on their phones or devices; passwords and pin numbers should be kept confidential and mobile phones and personal devices should not be shared.
- Mobile phones and personal devices are not permitted to be used in specific areas within the site such as changing rooms, toilets and swimming pools.
- The sending of abusive or inappropriate messages or content via mobile phones or personal devices is forbidden by any member of the community; any breaches will be dealt with as part of our Staff Code of Conduct, Parent Carer and Visitor Code of Conduct and Behaviour & Anti-Bullying Policy
- All members of Alfriston School community are advised to ensure that their mobile phones and personal devices do not contain any content which may be offensive, derogatory or would otherwise contravene our Staff Code of Conduct, Parent Carer and Visitor Code of Conduct, Behaviour & Anti-Bullying Policy and Child Protection Policy & Safeguarding Policy.

## **9.2 Staff Use of Personal Devices and Mobile Phones**

- Members of staff will ensure that use of personal phones and devices takes place in accordance with the law, as well as, relevant policy and procedures, such as: Confidentiality, Child Protection & Safeguarding, Data Transit and Online Safety ICT Acceptable Use.
- Staff will be advised to:
  - Keep mobile phones and personal devices in a safe and secure place during lesson time.
  - Keep mobile phones and personal devices switched off or switched to 'silent' mode during lesson times.
  - Ensure that Bluetooth or other forms of communication (such as 'airdrop') are hidden or disabled during lesson times.
  - Not use personal devices during teaching periods, unless written permission has been given by the Headteacher, such as in emergency circumstances.
  - Ensure that any content bought onto site via mobile phones and personal devices are compatible with their professional role and expectations.
- Members of staff are not permitted to use their own personal phones or devices for contacting pupils or parents and carers.
  - Any pre-existing relationships, which could undermine this, will be discussed with the DSL (or deputies).
- Staff will not use personal devices:
  - To take photos or videos of pupils and will only use work-provided equipment for this purpose.

- Directly with pupils and will only use work-provided equipment during lessons or educational activities.
- If a member of staff breaches our policy, action will be taken in line with our Staff Code of Conduct and Whistleblowing Policy.
  - If a member of staff is thought to have illegal content saved or stored on a mobile phone or personal device or have committed a criminal offence, the police will be contacted.

### **9.3 Pupil Use of Personal Devices and Mobile Phones**

- Pupils will be educated regarding the safe and appropriate use of personal devices and mobile phones and will be made aware of boundaries and consequences.
- Alfriston School does not allow pupils to bring personal devices and mobile phones to school.
- If a pupil needs to contact his/her parents or carers they should go to the school office
- If a pupil breaches the policy, the phone or device will be confiscated and will be held in a secure place.
  - Pupil mobile phones or devices, if discovered, may be searched by a member of the leadership team, with the consent of the pupil or a parent/ carer. Content may be deleted or requested to be deleted, if it contravenes our policies. **See** [www.gov.uk/government/publications/searching-screening-and-confiscation](http://www.gov.uk/government/publications/searching-screening-and-confiscation))
  - Mobile phones and devices that have been confiscated will be released to parents or carers.
  - If there is suspicion that material on a pupil's personal device or mobile phone may be illegal or may provide evidence relating to a criminal offence, the device will be handed over to the police for further investigation.

### **9.4 Visitors' Use of Personal Devices and Mobile Phones**

- Parents/carers and visitors (including volunteers and contractors) must use their mobile phones and personal devices in accordance with our Online Safety ICT Acceptable Use Policy & Agreement and other associated policies, such as: Behaviour & Anti-Bullying, Child Protection & Safeguarding and Image Use.
- We will ensure appropriate signage and information is displayed and provided to inform parents, carers and visitors of expectations of use.
- Members of staff are expected to challenge visitors if they have concerns and will always inform the DSL (or deputies) of any breaches our policy.

### **9.5 Officially provided mobile phones and devices**

- Members of staff will be issued with an email address, where contact with parents/ carers is required.
- The visit leader will be issued with a school mobile phone for school trips, where contact with parents/ carers may be required.
- Setting mobile phones and devices will be suitably protected via a passcode/password/pin and must only be accessed or used by members of staff.

- Setting mobile phones and devices will always be used in accordance with the Acceptable Use policy and other relevant policies.

## **10. Responding to Online Safety Incidents and Concerns**

- All members of the community will be made aware of the reporting procedure for online safety concerns, including: breaches of filtering, youth produced sexual imagery (sexting), cyberbullying and illegal content.
- All members of the community must respect confidentiality and the need to follow the official procedures for reporting concerns.
  - Pupils, parents and staff will be informed of our complaints procedure and staff will be made aware of the whistleblowing procedure.
- We require staff, parents, carers and learners to work in partnership to resolve online safety issues.
- After any investigations are completed, we will debrief, identify lessons learnt and implement any policy or curriculum changes as required.
- Safeguarding concerns and incidents should be reported to Single Point of Access, in line with East Sussex and School Safeguarding and Child Protection policy.
- If we are unsure how to proceed with an incident or concern, the DSL (or deputies) will seek advice from the Standards and Learning Effectiveness Service Safeguarding Team.
- Where there is suspicion that illegal activity has taken place, we will contact the Standards and Learning Effectiveness Service or Sussex Police using 101, or 999 if there is immediate danger or risk of harm.
- If an incident or concern needs to be passed beyond our community (for example if other local settings are involved or the public may be at risk), the DSL will speak with Sussex Police and/or the Standards and Learning Effectiveness Service first to ensure that potential investigations are not compromised.

### **10.1 Concerns about Learners Welfare**

- The DSL (or deputies) will be informed of any online safety incidents involving safeguarding or child protection concerns.
  - The DSL (or deputies) will record these issues in line with our child protection policy.
- The DSL (or deputies) will ensure that online safety concerns are escalated and reported to relevant agencies in line with the East Sussex Safeguarding Children Partnership thresholds and procedures.
- We will inform parents and carers of online safety incidents or concerns involving their child, as and when required.

### **10.2 Staff Misuse**

- Any complaint about staff misuse will be referred to the Headteacher, in accordance with the Whistleblowing policy.
- Any allegations regarding a member of staff's online conduct will be discussed with the LADO (Local Authority Designated Officer).

- Appropriate action will be taken in accordance with our Staff Code of Conduct and Whistleblowing Policy.

## **11. Procedures for Responding to Specific Online Incidents or Concerns**

### **11.1 Online Sexual Violence and Sexual Harassment between Children**

- Our setting has accessed and understood Sexual violence and sexual harassment between children in schools and colleges (2018) guidance and part 5 of Keeping Children Safe in Education 2019.
- Alfriston School recognises that sexual violence and sexual harassment between children can take place online. Examples may include; non-consensual sharing of sexual images and videos, sexualised online bullying, online coercion and threats, unwanted sexual comments and messages on social media, and online sexual exploitation.
  - Full details of how we will respond to concerns relating to sexual violence and sexual harassment between children can be found within our Child Protection & Safeguarding and Behaviour & Anti-Bullying policy.
- Alfriston School recognises that internet brings the potential for the impact of any sexual violence and sexual harassment concerns to extend further than the local community, and for a victim or alleged perpetrator to become marginalised and excluded by online communities.
- Alfriston School also recognises the potential for repeat victimisation in the future if abusive content continues to exist somewhere online.
- Alfriston School will ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of online sexual violence and sexual harassment between children by implementing a range of age and ability appropriate educational methods as part of our PSHE and RSE curriculum.
- We will ensure that all members of the community are aware of sources of support regarding online sexual violence and sexual harassment between children.
- We will respond to concerns regarding online sexual violence and sexual harassment between children, regardless of whether the incident took place on our premises or using our equipment.
- If made aware of online sexual violence and sexual harassment, we will:
  - Immediately notify the DSL (or deputy) and act in accordance with our Child Protection & Safeguarding and Behaviour and Anti-Bullying policies.
  - If content is contained on pupils electronic devices, they will be managed in accordance with the DfE '[searching screening and confiscation](#)' advice.
  - Provide the necessary safeguards and support for all pupils involved, such as offering specific advice on blocking, reporting and removing online content, as well as providing appropriate counselling/pastoral support.
  - Implement appropriate sanctions in accordance with our Behaviour & Anti Bullying policy.
  - Inform parents and carers, if appropriate, about the incident and how it is being managed.

- If appropriate, make a referral to partner agencies, such as Children's Social Care and/or the Police.
- If the concern involves children and young people at a different educational setting, work in partnership with other DSLs to ensure appropriate safeguarding action is taken in the wider local community.
  - If a criminal offence has been committed, the DSL (or deputy) will discuss this with Sussex Police first to ensure that investigations are not compromised.
- Review the handling of any incidents to ensure that best practice was implemented, and policies/procedures are appropriate.

## 11.2 Youth Produced Sexual Imagery ("Sexting")

- Alfriston School recognises youth produced sexual imagery (known as "sexting") as a safeguarding issue; all concerns will be reported to and dealt with by the DSL (or deputy).
- We will follow the advice as set out in the non-statutory UKCCIS guidance: ['Sexting in schools and colleges: responding to incidents and safeguarding young people'](#).
- Alfriston School will ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of 'sexting' by implementing preventative approaches, via a range of age and ability appropriate educational methods.
- We will ensure that all members of the community are aware of sources of support regarding youth produced sexual imagery.
- We will respond to concerns regarding youth produced sexual imagery, regardless of whether the incident took place on/off site or using setting provided or personal equipment.
- We will not:
  - View any images suspected of being youth produced sexual imagery, unless there is no other possible option, or there is a clear need or reason to do so.
    - If it is deemed necessary, the image will only be viewed by the DSL (or deputy DSL) and their justification for viewing the image will be clearly documented.
  - Send, share, save or make copies of content suspected to be an indecent image of a child (i.e. youth produced sexual imagery) and will not allow or request learners to do so.
- If made aware of an incident involving the creation or distribution of youth produced sexual imagery, we will:
  - Act in accordance with our Child Protection & Safeguarding policies and the relevant East Sussex Safeguarding Child Partnership's procedures.
  - Ensure the DSL (or deputy) responds in line with the ['Sexting in schools and colleges: responding to incidents and safeguarding young people'](#) guidance.
  - Store the device securely.
    - If an indecent image has been taken or shared on our network or devices, we will act to block access to all users and isolate the image.
  - Carry out a risk assessment which considers any vulnerability of learners involved; including carrying out relevant checks with other agencies.
  - Inform parents and carers, if appropriate, about the incident and how it is being managed.
  - Make a referral to Children's Social Care and/or the Police, as appropriate.

- Provide the necessary safeguards and support for learners, such as offering counselling or pastoral support.
- Implement appropriate sanctions in accordance with our Behaviour and Anti-Bullying policy but taking care not to further traumatise victims where possible.
- Consider the deletion of images in accordance with the UKCCIS: ['Sexting in schools and colleges: responding to incidents and safeguarding young people'](#) guidance.
  - Images will only be deleted once the DSL has confirmed that other agencies do not need to be involved; and are sure that to do so would not place a child at risk or compromise an investigation.
- Review the handling of any incidents to ensure that best practice was implemented; the leadership team will also review and update any management procedures, where necessary.

### **11.3 Online Child Sexual Abuse and Exploitation (including child criminal exploitation)**

- Alfriston School will ensure that all members of the community are aware of online child sexual abuse, including: exploitation and grooming; the consequences; possible approaches which may be employed by offenders to target children and how to respond to concerns.
- Alfriston School recognises online child sexual abuse and exploitation (including criminal exploitation) as a safeguarding issue and, as such, all concerns will be reported to and dealt with by the DSL (or deputy).
- We will implement preventative approaches for online child sexual abuse and exploitation (including criminal exploitation) via a range of age and ability appropriate education for learners, staff and parents/carers.
- We will ensure that all members of the community are aware of the support available regarding online child sexual abuse and exploitation (including criminal exploitation), both locally and nationally.
- We will ensure that the 'Click CEOP' report button is visible and available to pupils and other members of our community. This can be accessed on the online safety section of the school website
- If made aware of incident involving online child sexual abuse and exploitation (including criminal exploitation), we will:
  - Act in accordance with our child protection policies and the relevant East Sussex Safeguarding Child Partnership's procedures.
  - If appropriate, store any devices involved securely.
  - Make a referral to Children's Social Care (if required/ appropriate) and immediately inform the police via 101 (or 999 if a child is at immediate risk)
  - Carry out a risk assessment which considers any vulnerabilities of pupil(s) involved (including carrying out relevant checks with other agencies).
  - Inform parents/carers about the incident and how it is being managed.
  - Provide the necessary safeguards and support for learners, such as, offering counselling or pastoral support.

- Review the handling of any incidents to ensure that best practice is implemented; leadership team will review and update any management procedures, where necessary.
- We will respond to concerns regarding online child sexual abuse and exploitation (including criminal exploitation), regardless of whether the incident took place on our premises or using setting provided or personal equipment.
  - Where possible, pupils will be involved in decision making and if appropriate, will be empowered to report concerns such as via the Click CEOP report:  
[www.ceop.police.uk/safety-centre/](http://www.ceop.police.uk/safety-centre/)
- If we are unclear whether a criminal offence has been committed, the DSL (or deputy) will obtain advice immediately through the Standards and Learning Effectiveness Service and/or Police.
- If pupils other setting are believed to have been targeted, the DSL (or deputy) will seek support from the Police and/or the Standards and Learning Effectiveness Service first to ensure that potential investigations are not compromised.

#### **11.4 Indecent Images of Children (IIOC)**

- Alfriston School will ensure that all members of the community are made aware of the possible consequences of accessing Indecent Images of Children (IIOC).
- We will respond to concerns regarding IIOC on our equipment and/or personal equipment, even if access took place off site.
- We will seek to prevent accidental access to IIOC by using an internet Service provider (ISP) which subscribes to the Internet Watch Foundation block list and by implementing appropriate filtering, firewalls and anti-spam software.
- If we are unclear if a criminal offence has been committed, the DSL (or deputy) will obtain advice immediately through the Police and/or the Standards and Learning Effectiveness Service.
- If made aware of IIOC, we will:
  - Act in accordance with our Child Protection & Safeguarding policy and the relevant East Sussex Safeguarding Child Partnership's procedures.
  - Store any devices involved securely.
  - Immediately inform appropriate organisations, such as the Internet Watch Foundation (IWF), Sussex police or the LADO.
- If made aware that a member of staff or a learner has been inadvertently exposed to indecent images of children, we will:
  - Ensure that the DSL (or deputy DSL) is informed.
  - Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via [www.iwf.org.uk](http://www.iwf.org.uk).
  - Ensure that any copies that exist of the image, for example in emails, are deleted.
  - Report concerns, as appropriate to parents and carers.
- If made aware that indecent images of children have been found on the setting provided devices, we will:
  - Ensure that the DSL (or deputy DSL) is informed.

- Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via [www.iwf.org.uk](http://www.iwf.org.uk).
- Ensure that any copies that exist of the image, for example in emails, are deleted.
- Inform the police via 101 (999 if there is an immediate risk of harm) and children's social services (as appropriate).
- Only store copies of images (securely, where no one else has access to them and delete all other copies) at the request of the police only.
- Report concerns, as appropriate to parents and carers.
- If made aware that a member of staff is in possession of indecent images of children on setting provided devices, we will:
  - Ensure that the Headteacher is informed in line with our Whistleblowing Policy.
  - Inform the Local Authority Designated Officer (LADO) and other relevant organisations in accordance with our managing allegations against staff policy.
  - Quarantine any devices until police advice has been sought.

### **11.5 Cyberbullying**

- Cyberbullying, along with all other forms of bullying, will not be tolerated at Alfriston School.
- Full details of how we will respond to cyberbullying are set out in our Behaviour and Anti-Bullying policy.

### **11.6 Online Hate**

- Online hate content, directed towards or posted by, specific members of the community will not be tolerated at Alfriston School and will be responded to in line with existing policies, including Behaviour and Anti-Bullying.
- All members of the community will be advised to report online hate in accordance with relevant policies and procedures.
- The Police will be contacted if a criminal offence is suspected.
- If we are unclear on how to respond, or whether a criminal offence has been committed, the DSL (or deputy DSL) will obtain advice through the Standards and Learning Effectiveness Service and/or Sussex Police.

### **11.7 Online Radicalisation and Extremism**

- We will take all reasonable precautions to ensure that pupils and staff are safe from terrorist and extremist material when accessing the internet on site.
- If we are concerned that a child or parent/carer may be at risk of radicalisation online, the DSL (or deputy DSL) will be informed immediately, and action will be taken in line with our Child Protection & Safeguarding policy.
- If we are concerned that member of staff may be at risk of radicalisation online, the Headteacher will be informed immediately, and action will be taken in line with the Child Protection & Safeguarding and Whistleblowing policies.
