Dear Parents and Carers,

I hope you have had a wonderful Easter break and are refreshed and ready for a new term.

## Curriculum Information

The new topic for this term is called 'Growing', this is a science based topic which will also offer lots of exciting learning opportunities across the curriculum. Please see the attached 'Curriculum Map' which gives more information about how this topic will link to all areas of our learning.

## Key Skills to Support at Home

Please continue to read at home with your child as regularly as possible and record this in their yellow reading records.

## Requests and Reminders

Our PE sessions are on Tuesday and Thursday. Thursday's session will be outside (weather permitting) so please ensure your child has a suitable outfit for this. Please make sure every item in your child's PE kit is clearly labelled with their name.

As the weather brightens up, please send your child in with a named hat to wear during play times and PE.

We are also hoping to begin swimming lessons this term. We will let you know when the swimming pool is ready.

## Homework

This will continue to be given out on Monday to be completed by the following Monday. Please send your child's homework folder back each Monday so new homework can be put inside. Spelling quizzes will continue to occur on Monday mornings. Rewards and stickers will be awarded to those who have tried their best to practise their spellings and maths at home.

If your child is inspired by anything they have learnt in class and chooses to make something at home please send this in to school as we would love to see it and share it with the rest of the class!

Finally, if you have any questions or concerns about anything at all, please do come and speak to me.

Yours sincerely,  
Miss Foster
